

20/20 Vision

4 Teaching Points from the story of “A man trapped in his house during a flood”:

1. God is for us, He sees our need, He hears our prayers, He is always working in the background
2. Don't be limited by your vision; expectation of how God answers your prayers
3. Don't just sit & wait for God, take action (His Purpose)
4. Make sure that your plans are aligned with God's Plans (His Will)

3 Actions for 20/20 Vision:

1. Put God First in your life
2. Serve Him with your life
3. Believing & Doing + God's Grace = Receiving
