## **Sermon Discussion Guide – The Fruit of the Spirit is - KINDNESS**

**Galatians 5:22-23**

1. With whom are we to share God's kindness? Why is this often a challenge for us?
2. What does it mean that kindness is love in action? What are some specific ways to live this out (see verses like Hebrews 10:24)?
3. What do we learn about kindness from 2 Timothy 2:24-26? What reasons are given for showing such kindness?
4. How can we share God's kindness with the wicked and ungrateful? What precedent is there for such kindness (see Luke 6:32-35)? When is the last time you shared such kindness?
5. What is the connection between kindness and forgiveness? Why is forgiveness costly?
6. According to Colossians 3:12-13, what is our responsibility in living out kindness?
7. What examples have you seen or heard where those who need Jesus have misunderstood who God is because Christians have failed to show kindness?
8. Have you thanked God for His kindness towards you? To whom will you show kindness this week?
