

## **Truly Alive**

Rev. Guy Pratap

Text: **Colossians 2:6-15** (NIV)

March 21, 2021

### **1. TRANSFORMED**

verse 13: God made you alive with Christ

- Transformation is not about renovation or modification. Our NEW cannot even begin unless the OLD is totally dead.

### **2. FORGIVEN**

verse 14: having cancelled the charge of our legal indebtedness

- Forgiveness is not about approving, excusing, denying or justifying wrongs. Forgiveness is simply the outward extension of the forgiven.

### **3. LIBERATED**

verse 15: having disarmed the powers and authorities

- If the locks have been deactivated by Jesus, then you are truly FREE. The enemy may try to deceive you, but he can never defeat you.

We are TRULY ALIVE when we live out our new life in Jesus Christ.

TRANSFORMED. FORGIVEN. LIBERATED.
