WAY OF THE SHEPHERD

All are welcomed to join Pastor Tim as he shares what is known as his Signature Leadership Course. The images of shepherds and sheep are used throughout the Bible, and there is much we can learn about caring for and leading people from these ancient practices. This eight-week leadership course has been taught to Pastors and Church Leaders all over the world! If you are interested in joining the ministry team at Calvary or already leading, this is an enjoyable and valuable course to experience. Learn how to become more effective at leading those you serve and how to reach those around you. Class begins on September 21st at 7:00pm in the Sanctuary. For registration and more information on the materials needed for the class, go to: calvary.link/wayoftheshepherd
