

Scrooge:

Bah! Humbug!

Every year tis the same thing. Peace on earth, goodwill toward men! Its enough to make a person regurgitate! I suppose they'll be bothering me for Christmas cheer once again this year. Well, if its Christmas cheer they want, its Christmas cheer I will give them...at the end of my boot I will! Why can't they leave a person alone?

Who needs Christmas? If I had my way, every idiot who goes about with "Merry Christmas" on his lips should be boiled in oil and buried with a stake of holly through his heart.

Bah! Humbug!
