

Fezziwig: Welcome to the Party, everyone...welcome! *(greeting his guests)*
Reginald! *(act's caught)* I've been meaning to speak to you. I'm glad
I saw you. See me after the first of the year. You're due for a
promotion and a raise. You've been doing a good job. *(pats Reg on the
back and offers his hand. Reg gives it but is stunned. He lowers his head and
puts one hand on his face, ashamed, after Mr. Fezziwig leaves him.)*
(continues greeting his guests)

(quiet's his guests) Listen, everyone, listen. I am not much with giving
speeches, as you all know but I just wanted you all to know how
thankful I am to have all as friends. Through the year we keep busy
and time gets the best of us. Its not often enough we tell each other
how much we really care. Christmas seems the best time to share our
blessings because Jesus has shared so much with us. Remember,
Jesus is the real giver. Eat as you wish and enjoy! ***(Start Track:
"Celebrate")*** *Everyone begins to dance. Fezziwig dances a jig.*
