## Reflection Questions

1. Is my heart pure? Does my heart want God first and foremost, or is it divided by other lesser priorities? If I am honest with myself, is Christ #1 in my life, or are there other things that are more important to me?

2. Do I have a good conscience, or am I trying to "hide" things in my life from Him? Am I willing to surrender my entire life to Him?

3. Is my faith sincere? Am I truly willing to follow God's lead wherever he takes me, even if he takes me down a difficult road?
